

The following pieces of information are required for your application:

**Personal Information:**

- First and last name
- Email address
- Address, including your city, state, and ZIP code
- Telephone number

**Eligibility**

- U.S. citizenship
- High school graduate or equivalent and at least 18 years of age
- Registered at a U.S. community college in the semester prior to the onsite workshop
- Concurrent enrollment or completion of 9+ hours of STEM coursework
- Have you previously attended an NCAS workshop at a NASA center?
- Able to commit to a 5 week online session and internet access

**School and Educational Background**

- Name of school
- Address, including city, state, and zip code
- Intended major

**Transcripts**

- You must upload a transcript that provides the following: your name, your school's name, current enrollment, 9 hours of STEM coursework

**Personal Essay**

- A 300 word essay stating why you are interested in this NASA experience

**Application Certification**

- In order to submit your application, you must submit an application certification as shown below:

“The responses on this page are true, complete, and correct to the best of my knowledge and belief and are made in good faith. I understand that knowing and willful false statement on this application will forfeit my participation in the project. I certify I am a U.S. citizen and meet all eligibility requirements as specified in the application. I understand application materials become the property of NASA and cannot be returned. I hereby authorize NASA to utilize information about my application for public relations purposes, publicity or other educational opportunities. I have read, understand, and will adhere to the participation requirements.”

**Recommendations**

- You will enter up to 3 recommenders name, title, institution, telephone number and email address
- Be sure to contact your recommender prior to submitting their contact information. This will prepare your recommender for receiving the recommendation request and increase the likelihood that they will reply in a timely manner.
